
Share buyback program

Imerys announces that it has entered yesterday into a new mandate, in place of the previous one, with an Investment Services Provider (ISP) to purchase its own shares as part of its share buyback program as published on May 2, 2018 and approved by the Shareholders' General Meeting of May 4, 2018.

The world leader in mineral-based specialty solutions for industry, with €4.6 billion revenue and 18,000 employees in 2017, Imerys delivers high value-added, functional solutions to a great number of sectors, from processing industries to consumer goods. The Group draws on its knowledge of applications, technological expertise and its material science know-how to deliver resources based on beneficiation of its mineral resources, synthetic minerals and formulations. These contribute essential properties to customers' products and performance, including refractoriness, hardness, conductivity, opacity, durability, purity, lightness, filtration, absorption and repellency. Imerys is determined to develop responsibly, in particular by fostering the emergence of environmentally-friendly products and processes.

More comprehensive information about Imerys may be obtained from its website (www.imerys.com) under Regulated Information, particularly in its Registration Document filed with Autorité des marchés financiers on March 20, 2018 under number D.18-0150 (also available from the Autorité des marchés financiers website, www.amf-france.org). Imerys draws the attention of investors to chapter 4, "Risk Factors and Internal Control", of its Registration Document.
