

Publication of the report on payments made to governments

Imerys (the “**Company**”) informs that it has made available to the public and filed with the Autorité des Marchés Financiers the report on payments made to governments.

This information and the report on payments made to governments are available on the Company's website (www.imerys.com), in the “Regulated information” section.

The world leader in mineral-based specialty solutions for industry, with €4.4 billion revenue and 17,000 employees in 2021, Imerys delivers high value-added, functional solutions to diversified set of industrial sectors, from processing industries to consumer goods. The Group draws on its knowledge of applications, technological expertise and its material science know-how to deliver solutions based on beneficiation of its mineral resources, synthetic minerals and formulations. These contribute essential properties to customers' products and performance, including refractoriness, hardness, conductivity, opacity, durability, purity, lightness, filtration, absorption and repellency. Imerys is determined to develop responsibly, in particular by fostering the emergence of environmentally-friendly products and processes.
